

# Financial Goals for 2017

Results of ACCC's January 2017 Poll

 **92%** of respondents have a financial goal for 2017.

One Fifth of those have no plan in place to complete their goal.

**19%** 

 **78%** of respondents with a goal are prioritizing eliminating debt. 

Of all financial goals, increasing retirement savings accounted for only **6%**  

**11%** of those with a financial goal make less than \$20 thousand a year.

**53%** of goals will take longer than a year.

 **14%** will take 6 months or less

More than one-third of Americans are considering a financial resolution for 2017.

For the 8th consecutive year, saving more(50%), paying off debt(28%), & spending less(16%) are the top 3 resolutions.

Similar to previous years, a majority 82% of respondents consider their resolution an ongoing priority.
