

The holiday season comes with several holiday expenses, all of which can put a big dent in your wallet. Track and manage all of your seasonal expenses with the help of this worksheet. Fill in what you'd like to spend and what you actually spend in each category. The goal is to stay as close to your budget as possible without breaking the bank.

| FOOD   | item / category            | budget | spent |
|--|----------------------------|--------|-------|
| Food and drinks for parties, anything that goes beyond your typical grocery purchases. | Dinner at home             |        |       |
|  | Drinks for party/dinner    |        |       |
|  | Items for dinner elsewhere |        |       |
|  | Items for pot luck         |        |       |
|  |                            |        |       |
|  |                            |        |       |
|  |                            |        |       |
|  | TOTAL                      |        |       |

| GIFTS  | item / category      | budget | spent |
|--|----------------------|--------|-------|
