***You Must Complete a Pre-Bankruptcy Counseling**

Anyone considering filing bankruptcy must seek pre and post bankruptcy counseling from a US Trustees approved credit counseling agency prior to filing and prior to a bankruptcy discharge. ACCC provides both web and telephone counseling to consumers nationwide. After your initial pre bankruptcy briefing session is completed, you will receive **a completion certificate that is filed with the courts**. Prior to your bankruptcy discharge, you are also required to complete a debtor education financial literacy course and **must submit a certificate of completion**. ACCC's bankruptcy counselors can help you get started, and provide all the information you'll need to know about filing for bankruptcy. You can contact our **Bankruptcy Counseling Department** at **(800) 769-3571 x 1916** or visit our website ConsumerCredit.com
